

CORPORATE SOCIAL RESPONSIBILITY FOR SUSTAINABLE COMMUNITIES PROGRAM

DEVELOPMENTAL CHILDREN ART ACADEMY

Corporate Social Responsibility Program to build sustainable communities through sponsorship of children art education at Developmental Children Academy. We recommend holding a raffle of random entries and choose an adult, employee child or senior citizen. Minimum package sponsorship is 1 month. Finished painting will be received by the Corporate Social Responsibility department to be hung in lobby or office. This is a great tool for building and empowering customers and employees loyalty for your company and building sustainable communities surrounding your business.
